## Maintenance Responsibilities of the Community Association and the Homeowner

This chart is meant only to summarize responsibilities for maintenance costs at Brookside. It is not to be considered exhaustive, but merely a general guideline. Some costs are solely the responsibility of the Brookside Community Association (BCA), some are solely the responsibility of the homeowners, some are shared.

Brookside Community Association (BCA) is the ultimate arbiter of whether a repair or replacement is necessary when BCA funds are involved.

Alterations to landscaping or to the exteriors of buildings are subject to approval by the BCA Grounds or Architectural Control Committees.
